

## MEENA

Meena is a 9 year old girl studying 5<sup>th</sup> class in the primary school of Mydugolam in Hindupur mandal. Her father is rearing mulberry for silk-

worms which is a major livelihood source of this area.

Due to drought the family's condition has slipped to poverty as even he is unable to grow even mulberry.

Meena is an active girl and with pre-school skill training in sign-language she is able to follow class-room teaching. She is clever in learning Maths and Social subjects and prompt in submitting homework exercises.

She is getting fairly good marks in the tests conducted in school. She plays with other children at the school and temple of the village. Her parents thank the donor for the help provided.
