

## Mr. M. NAGAPPA

Mr. M. Nagappa belongs to Appepalli village of Madakasira Mandal. He studied

up to class 12 but being handicapped, he could not get any job. His father Mallappa works as a daily wage labourer. ROH intervened in Nagappa's life by providing him with all the facilities available from Government. He is able to work on cycle assembling and repairs. In his village, there is scope for setting up this micro-enterprise.

ROH is guiding him for Town-based Cycle assembling unit (learning and practice). He also wants to start selling accessories for bicycles. With this sponsorship, he will be offered this training and subsequently loan will be arranged with the help of bank for starting the enterprise. In future, if opportunity arises, he will also be guided for pursuing his education in any open university so as not to waste his qualification and make him eligible for any job reserved for the physically handicapped. Mr. Nagappa is very happy to have this opportunity to learn this skill and he feels that the pressure of sitting idle at home has now relieved and he can now contribute to his family economically and help his ageing parents.
